Dear Parents,

Welcome to the 2006-2007 school year! This marks Doral Academy's 7th year of operation and we're glad that you have chosen us over any other school in Dade County to educate your child. My staff and I are very proud of our accomplishments as a school. We attained an **"A+" for the fourth year in a row!!** Along with your cooperation and support, we have every confidence that we will do the same this school year.

This year, our motto is **"Doral Academy, Where Dreams Take Flight"**. My staff and I know that your children will receive the best education possible and that their dreams will be realized through our combined efforts.

Our teachers have set up a web page that allows you and your children to view home learning assignments, special class announcements, and their supply lists on www.schoolnotes.com. Once you log on, type in our zip code, 33172, locate your child's teacher and click on her link to view the notes. Additionally, we have a school website which is updated once a month with valuable information such as school calendar of events, and important links. Please visit us at <http://doralacademy.dadeschools.net>

If you have any questions, please feel free to call our office at (305) 597-9999. We hope that by working together with you our students' "dreams will take flight" and they can reach their maximum potential.

Sincerely,

Ileana M. Gomez
